At the September 2020 Local 502 Executive meeting, the Executive voted to swear in the 15 workers who have been screened since February 2020. The Local 502 constitution states:

“Section 2. Duties of Executive Board:

(f) In cases of emergency, to act so that the interests and welfare of the Local and its members shall be protected.”

Tonight, September 16, 2020, those 15 workers took their oath and were sworn into membership by the President, Rick Hurtubise.
